In an **effort to bring the highest quality** dorm and quarters product to our customers, **GovSolutions engaged** in a search for a **partnership with a global manufacturer** that can **bring their years of experience** to the table.

---

Through the **Virginia Economic Development Partnership (VEDP)** GovSolutions was introduced to **MUMA** and together we created this **GovSolutions branded line** for our customers.

---

The line has been approved by **GSA** for GSA Schedule so **we bring the same great quality** and aesthetics to our **Federal Government Customer**.

---

In the process of finding our partner, GovSolutions became a graduate of Virginia Leaders in Export Trade (VALET). VALET is a two-year **international business acceleration program** that is so thorough, only 25 companies per year are accepted into the program.

---

GovSolutions is **based in Virginia Beach, Virginia**, and our distribution includes **dealerships all across the United States**.

## GovSolutions' Value Proposition:

- **Interior Space Planning, Design, and Specifications:** Our EDAC and NCIDQ certified designers are available to assist you in all aspects of the design process.
- **Detailed Project Management:** Our staff provides individual solutions with consistent, ongoing support.
- **Product Inventory, Asset and Relocation Management:** Whether you are relocating or trying to stay up to date on your current furniture inventory, we are here to serve you.
- **Installation:** Our factory-trained installation team is dedicated to providing customers with the highest level of service and professionalism.
- **Warranty and Repairs:** You can rely on our team to provide complete, dependable, and trusted warranty and repair work.

## Our manufacturer

**Muma is a multilatina company with 74 years of experience.**

---

**They export to 13 different countries and have 33 years of experience meeting their customers' needs overseas.**

---

**Their competitive portfolio, delivery times, and pricing are tailored to their clients' needs.**

---

**Muma owns a production plant spanning 95,000 square feet.**

---

**Has a Quality lab where their products undergo performance and endurance tests for commercial use under BIFMA standards.**
