

Smarter Furnishings is a family business serving the collegiate furniture market for nearly thirty years.

- Smarter Furnishings ships and installs nationally and in Canada
- Over **700** successfully completed installations
- Manufactured using mortise & tenon joinery
- No assembly required
- Engineered to last **25 years**

“ The senior leadership team maintains involvement in the day-to-day business – not just the sales, but the estimating, installation and follow-up. That coupled with great flexibility regarding timing of ordering, logistics of shipping, storage and installation, and more have allowed us to remain nimble as an organization. ”

Mitchell Smith,
Chief Operating Officer, The Scion Group LLC
